2 B: Fine Balance After Matching

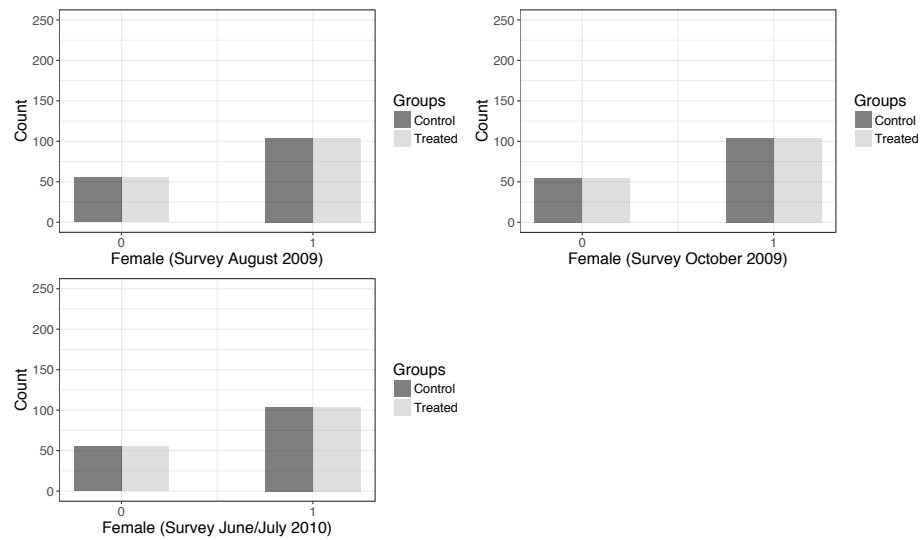

Figure 5: Registration

Figure 6: Gender
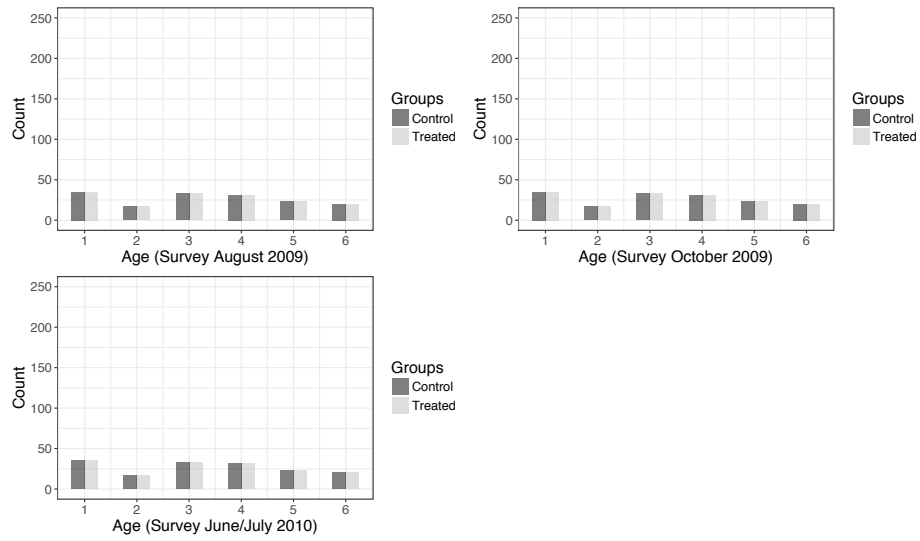

Figure 7: Age
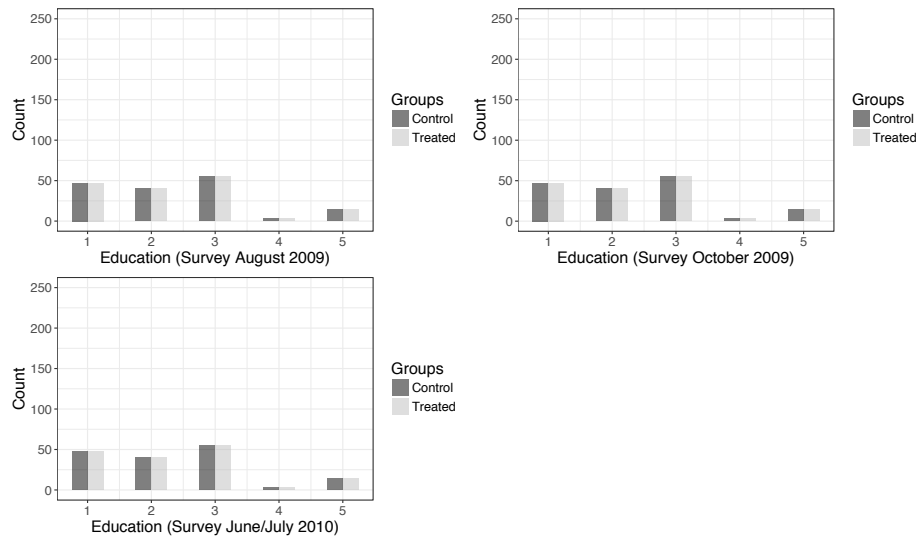

Figure 8: Education

3   C: Imbalances on Age

Table 1: Mean age treated group (before matching)

Survey August 2009	3.144
Survey October 2009	3.365
Survey June/July 2010	3.372

Table 2: P-value age treated group (before matching)

Survey August 2009 - Survey October 2009	0.960
Survey August 2009 - Survey June/July 2010	0.096
Survey October 2009 - Survey June/July 2010	0.099

Table 3: Mean age treated group (after matching)

Survey August 2009	3.314
Survey October 2009	3.314
Survey June/July 2010	3.314

Table 4: P-value age treated group (after matching)

Survey August 2009 - Survey October 2009	1
Survey August 2009 - Survey June/July 2010	1
Survey October 2009 - Survey June/July 2010	1

4 C: Imbalances on Education

Table 5: Mean education control group (before matching)

Survey August 2009	2.652
Survey October 2009	2.502
Survey June/July 2010	2.671

Table 6: P-value education control group (before matching)

Survey August 2009 - Survey October 2009	0.154
Survey August 2009 - Survey June/July 2010	0.852
Survey October 2009 - Survey June/July 2010	0.096

Table 7: Mean education control group (after matching)

Survey August 2009	2.352
Survey October 2009	2.352
Survey June/July 2010	2.352

Table 8: P-value education control group (after matching)

Survey August 2009 - Survey October 2009	1
Survey August 2009 - Survey June/July 2010	1
Survey October 2009 - Survey June/July 2010	1

5 E: Descriptive Statistics Before Matching

Table 9: Descriptive statistics before matching

Statistic	N	Mean	St. Dev.	Min	Max
Education	1,776	2.52	1.27	1	5
Age	1,776	3.22	1.63	1	6
Gender	1,776	0.60	0.49	0	1
Register	1,776	0.77	0.42	0	1

6 F: Descriptive Statistics After Matching

Table 10: Descriptive statistics after matching

Statistic	N	Mean	St. Dev.	Min	Max
Education	954	2.35	1.18	1	5
Age	954	3.31	1.67	1	6
Gender	954	0.65	0.48	0	1
Register	954	0.79	0.41	0	1
